Product Description:

DTF Ink - The Revolutionary Printing Solution

DTF Ink is the latest innovation in the world of printing materials. It offers high quality, environment friendly film material that guarantees long lasting results. With DTF Ink, you can print anything from t-shirts to mugs, and more!

High Quality Printing Materials

DTF Ink is committed to providing customers with the best quality printing materials. Our ink is specially formulated to produce vibrant and sharp images, making it perfect for any printing project. Whether you're printing on light or dark fabrics, DTF Ink will give you professional and high quality results every time.

Environment Friendly

At DTF Ink, we understand the importance of sustainability and protecting the environment. That's why our ink is made with eco-friendly materials, reducing its impact on the environment. You can now print without harming the planet.

Film Material for Versatility

DTF Ink uses film material for its printing, making it a versatile solution for all your printing needs. The film material allows for printing on a variety of surfaces, including cotton, polyester, and even leather. This gives you endless possibilities for your designs and products.

Long Lasting Results

One of the key features of DTF Ink is its ability to produce long lasting results. Our ink is durable and can withstand multiple washes without losing its vibrancy or quality. Say goodbye to fading prints and hello to long lasting designs with DTF Ink.

The Perfect Solution for DTF Printing

DTF Printing involves the use of a special DTF Printing Machine and DTF Ink. With our DTF Ink, you can achieve the best results on your DTF Printing Machine. Our ink is specifically designed for this printing method, ensuring smooth and flawless printing every time.

Shelf Life of 12 Months

DTF Ink has a shelf life of 12 months, making it a long lasting and reliable ink for your printing needs. This ensures that you have a constant supply of fresh and high quality ink for all your projects.

Experience the difference with DTF Ink - the perfect blend of high quality, environment friendly, and long lasting printing materials. Upgrade your printing game with DTF Ink today!

Packing and Shipping:

DTF Ink Packaging and Shipping

Packaging:

Our DTF Ink comes in a durable plastic bottle with a secure twist-off cap. Each bottle is carefully labeled with the product name and color for easy identification.

For shipping, we use sturdy cardboard boxes with proper insulation to protect the ink bottles during transit. Each box is also labeled with our company logo and product information.

Shipping:

We offer standard shipping options for domestic and international orders. Our shipping rates are calculated based on the weight of the package and the destination address.

All orders will be processed and shipped within 1-2 business days. Once the order has been shipped, customers will receive a tracking number via email to track their package.

We take great care in packaging our products to ensure they arrive at their destination safely and in perfect condition.

For any inquiries or special shipping requests, please contact our customer service team at info@dtfink.com.
